## **Snowmobile Season Delayed Due to Lack of Snow**

*December 15<sup>th</sup> is usually the kick-off for the snowmobile season.*

**(Concord, NH-December 15, 2011)** The Division of Parks and Recreation, Bureau of Trails announces to winter trail users that the snowmobile trail system is not open for use at this time. The trails typically open on December 15<sup>th</sup>, with adequate snow cover on the ground. The unseasonably warm weather is suspending opening but the Bureau and volunteer clubs around New Hampshire are ready for when the snow arrives. Gates are still closed and logging operations still ongoing. Check the Bureau's website for current trail conditions throughout the winter.

Riders can sign up online to have trail conditions reports sent to them via email. The reports will begin as soon as the season officially begins. The reports are updated by the Bureau on Tuesdays and Fridays and are posted at [www.nhtrails.org](http://www.nhtrails.org). Riders can also check local club websites for information on conditions in their designed riding areas.

### **About the Division of Parks and Recreation**

The New Hampshire Division of Parks and Recreation is comprised of the Parks Bureau, Bureau of Historic Sites, Bureau of Trails, and Cannon Mountain. They manage a multitude of properties, including state parks, beaches, campgrounds, historic sites, trails, waysides, and natural areas. The Division of Parks and Recreation is one of four divisions of the Department of Resources and Economic Development.
